REQUEST:	Land Use Ordinance Amendments to the sections regarding definitions and commercial land use matrix
PREPARED BY:	Alexandra White, City Planner

SYNOPSIS: The Land Use Matrix for residential and commercial uses was first passed by the Planning Commission and City Council in 2012 and 2013. The applicant is proposing an addition to the Commercial Land Use Matrix to conditionally allow temporary mobile commissary kitchens. Below is a summary of those changes. - 1. A Recommendation to the City Council to amend Chapters 17.03 and 17.15 of the South Salt Lake Municipal Code to Establish Mobile Food Kitchens and Commissaries as Allowed Uses in the TOD and TOD-Core Overlay Zones.**

Action Item

Applicant Robert Tolbert

City Planner, Alexandra White, presented the staff report regarding the proposed Land Use Ordinance Amendment to add Mobile Food Kitchen and Commissaries as a Conditional Use in the Transit-Oriented Development (TOD) and TOD Core Overlay Zones. Ms. White explained that a Mobile Food Kitchen differs from a Food Truck in that it does not have a retail component and has no access window. She presented photographs of the applicant's food trailer. Staff recommended approval with the eight recommendations outlined in the staff report.

Chair Lauritzen asked for clarification on the purpose of a Mobile Kitchen if food is not being sold from the trailer. Ms. White stated that the applicant intends to use the trailer off-site similar to catering at a movie set.

Commissioner Carter asked why the application limited the zoning to the TOD and TOD Core Overlay areas. Mr. Florence responded that this was all that the applicant requested. He admitted that this could be expended to include other zones.

The applicant, Richard Tolbert, gave his address as 1917 Michigan Avenue and informed the Commission that there are several movie sites in Utah. There is even a film set for a popular television show right in Salt Lake City. A Mobile Kitchen would allow the food to be prepared on-site rather than transported from the business.

**Chair Lauritzen opened the public hearing at 9:20 p.m. There were no public comments.
Chair Lauritzen closed the public hearing.**

Commissioner Kindred suggested that they allow the proposed use in more zones than the ones requested. Commissioner Carter was not opposed to opening it up in Light Industrial areas. Ms. White added that staff discussed an additional condition not included in the staff report that would limit the number of Mobile Kitchens to one per property.

Motion to recommend that the City Council approve the amendment to Chapters 17.03 and 17.15 of the South Salt Lake Municipal Code to establish Mobile Food Kitchens and Commissaries as allowed uses in the TOD and TOD Core Overlay and Light Industrial Zones with the conditions outlined by staff and the addition of a condition limiting the number of Mobile Kitchens to one per property.
